How can you support the participating leader during her program?

As part of the program, the participating leader sets herself a challenge: to think proactively about an issue within the company and determine how she and her team can help.

Join us for the official launch and in-depth interviews.
[Click here for login details dedicated to companies.](#)

At three key moments during her program, the participant is called upon to discuss a compelling organizational issue with new colleagues. Facilitate her process by putting her in touch with influential people in your organization.

3 Connection Opportunities During the Program

- **Weeks 1 to 4 (March 5 to April 2)**

Connections to managers from other sectors or lines of business

- **Weeks 5 to 8 (April 2 to April 30)**

Connections to vice-presidents and other influential people

- **Weeks 9 to 13 (April 30 to June 4)**

Connections to influential people

 Name a cohort sponsor who can initiate these meetings and talk with participants a few times during the program, to assess the progress and achievement of their challenge.
