What accesses must be authorized on your participants' workstations?

Give them the best possible experience and prevent any issues with your organization's firewalls or VPNs.

■ Communications

Participants will receive important communications throughout their journey. These will be sent from the following addresses: experience@effet-a.com, experience@the-aeffect.com et hello@humance.app

In order to authorize the reception of these communications, please ask your IT departments to register the following domain names:

- **effet-a.com**
- **the-a-effect.com**
- **humance.app**

If your participants do not receive our communications, we invite them to contact your organization's IT teams.

Access to program materials

The Humance learning platform is the weekly meeting place for participants. This is where they will find all the activities to be completed during the program.

To ensure a complete experience, please verify that they will be able to perform the following actions at their workstation:

1. **Connect to the learning platform at https://effet-a.humance.app/#/login**
2. **Download PDF documents**
3. **Access videos and podcasts hosted on Vimeo, YouTube and Spotify**

If your participants fail to complete any of these actions, we will invite them to contact your organization's IT teams and/or use a personal device.
